Dear Parents/Guardians,

**Chinese Orchestra CCA: Term 1 CCA Sessions after School**

The past two years have been especially challenging given the current situation. We would like to express our heartfelt appreciation for your patience and kind support in ensuring your child/ward for turning up for the zoom/physical sessions. We hope you will continue to render us your full support in 2022 as we work in partnership to provide another enriching year ahead for your child / ward.

With schools being allowed to resume activities in 2022, we will be resuming after school face-to-face CCA sessions. This will allow us to re-introduce aspects of student life and activities important to students' well-being and holistic education.

The CCA sessions will be carried out with the following Safe Management Measures (SMM) in place:

1. Temperature taking will be conducted before the start of CCA session. Please ensure your child/ward has a working thermometer with him/her.
2. 1m safe distancing measures between students (2m for Physical Activities)
3. Activities that cannot maintain 1m safe distancing measures, will be reconfigured to multiple groups of 5, with 1m between groups (2m between groups for Physical Activities).
4. If your child/ward has undergone the vaccination dose within the past two weeks, he/she should not attend the CCA sessions. If he/she develops chest pain, shortness of breath on exertion or abnormal heartbeat after the vaccination dose, he/she has to seek medical attention promptly.
5. For lunch breaks, only the P3 students are allowed to eat in the canteen. They have to sit according to the seating plan with maximum 4 to a table. For P4-6 students, they will buy takeaways and eat at their CCA venues.
6. Students whose CCA sessions are at a later timing can go home for lunch before reporting back to school. For those who are staying back in school, they can have their lunch in the canteen after 2pm and stay in the canteen or library to do self-study.

Please find the details of the CCA sessions in the table below:

Please also help us to ensure that your child is physically well before attending the CCA session. If your child is unable to attend any of the sessions, a medical certificate or a parent's letter to inform us about his/her absence is necessary.
